

Planting the Seeds of Change from Within

Benefits of becoming a member

As an official representative of the World Federation of UNESCO Clubs, Centers & Associations (WFUCA) in the U.S., UNESCO Body and Mind Wellness Club's (UNESCO BMW) main task is to nurture, promote and support the vital work of U.S.-based UNESCO Clubs, Centers and Associations.

As you know, membership is the lifeblood of any organization, and I encourage you to take an active role by becoming a member.

By doing so, there are many benefits to be had. To highlight the most significant, please note the following:

- Automatic membership to U.S. Federation of UNESCO Clubs, Centers and Associations (USFUCA) for a term of two years. This entitles you to a letter of your official membership status that can be used as a gateway of introduction and credibility with all levels of public and private institutions worldwide
- The right to insert your business information in our website as long as it is in tandem with the values of UNESCO
- You are joining a network of about 5000 grassroots UNESCO Clubs, Centers and Associations around the world, working through the World Federation of UNESCO Clubs, and its regional bodies to make the world a better place
- Invitation to local and regional Club organizational events through our website: unescoBMW.org
